Leave the game as is	2	1%

...improvements from FIFA 19, gameplay is hard to adjust

gameplay, it is literally the most inconsistent I've seen in a

FIFA title. Defensive headers are also very inconsistent,

...problem in previous FIFAs. Also defensive headers are

lacking imo, but headers in general seem pretty broken

right now, and I don't mean in the good way. I'm not sure if

EA boosted how much balance effects headers but I can't score a header to save my life currently, unless they're

wide open, and same goes for defensive clearing, the

...actually wanting to get involved in gameplay to

complete them. Throughout the year i'd like to see maybe

grind the game and maybe a few tradeable packs in there

screens a bit confusing and more clunky to search for and

is the content, we are less than 2 weeks in to the game and

more coin unlocks in the objectives to help people who

too! Love the card designs as well but find the squad

insert players so would like to see that tweaked!

consistency just isn't there currently....

1 likes After playing some games on Fifa 20, I have to say that the in 2 days. The most annoying thing for me though is the game is much better than 19 and has a chance of being a the amount of rebound goals I concede, even though I'm really great game with some tweaks. The switching of running the highest rated keeper in the game. Just can't defenders is a huge issue for me most of the time it seem to stop them. Other than that I feel like the game is doesn't even go to the player it tells you that it will switch running really smooth and I hope that EA don't bring out too and its extremely slow. Also passing needs a huge fix, patches which change it dramatically. Oh,... the amount of times the pass goes no...
